Presidents' Corner

President's Message:

A new year has me reflecting on the one that has passed and anticipating the one ahead. Our Christmas Bazaar was time spent celebrating the season, fellowshiping with each other and Gamma Sigma, and raising money for our Recruitment Grant in Aid Scholarship. Looking ahead, we have 3 exciting events coming up in our 20th annual Spelling Bee, the Eta State Convention, and the SE Regional Conference. I hope that you are looking forward to participating in these events as well!

Let's SPARKLE!

Goals:

- Encourage **S**avvy leadership
- Inspire **P**assionate, meaningful programs and projects
- Analyze and **A**rticulate current educational issues
- Further **R**espect for diversity in membership
- Promote **K**nowledge through lifelong learning
- Establish and **L**aunch a member wellness initiative
- Advocate **E**xcellence in education

Happy New Year! A new year brings new opportunities to reevaluate our goals in DKG! In the first year of the biennium one goal was the Wellness Initiative and chapters were encouraged to participate in a water project to help others through the Life Straw Project. In October, Eta State Headquarters water pump stopped doing its job.

This year we need a new well drilled and to purchase a new pump.

You may be asking why we have a Headquarters. Eta State uses Headquarters for state committee meetings on a regular basis because of the distance across North Carolina.

I would like to encourage your support for the well project at Headquarters. We are fortunate to have the resources in the Headquarters Fund to pay for this.

I hope that in 2019 all 98 chapters will invite and induct at least two new members. Teachers need DKG!

Barbara Keller Stevens Center

Barbara Keller is Welcomed to the Board by President JJ Cuff and VP Ron Hewett.

"I believe those with developmental disabilities should, to the best of their abilities and as often as possible, be given opportunities to develop educationally and socially to the extent their disabilities allow.

"Additionally, they should experience outlets and experiences that enable and foster a sense of usefulness in the community and enable them to live as independently as they can. The Stevens Center does all these things, and being a part of the Center gives me a greater sense of purpose."—Barbara Keller

Four pre-conference tours will be offered on Wednesday, June 26. HEALTHFUL TIPS FROM DONNA

DON'T PLAY SUPERWOMAN. You can't do everything, nor should you expect others to do so.

TAKE TIME TO RELAX. 10-20 minutes of relaxation or quiet can ease stress.
